

Ordinary You

One of the awesome revelations of the entire bible to me personally is how powerfully I see God doing extraordinary things through ordinary men and women just like us. People who are flesh and blood like we are, people who have simply believed and trusted in God like we have. Throughout the scripture we read example after example of this truth from God's heart to ours. Our great God and Saviour's heart and desire is to use us all to do incredible extraordinary things in and through our lives as He changes the world for Christ. That's right, ordinary you doing extraordinary things with God.

What is that extraordinary thing your God and Saviour has created you for? I want to encourage to fully search your heart for this answer and settle this faith matter ...Then simply do like all of our great but ordinary faith examples in the scripture did. Take your step of faith with God and see what God can do with and through your life. God bless you as you reach out and grab this mighty truth by faith...God is able and willing and waiting...
